CareAparent Now Accepting Clients with Blue Cross Blue Shield Medicare Advantage Plans

Twin Cities Home Care Agency is a Contracted Provider for Blue Cross

Woodbury, Minn. - May 17, 2022 - CareAparent is now a participating, in-network provider for Medicare Advantage plans offered through Blue Cross Blue Shield of Minnesota (Blue Cross). Comprehensive care from CareAparent's home health teams is available to eligible individuals with Preferred Provider Organization (PPO) and Health Maintenance Organization (HMO) insurance plans through Blue Cross. CareAparent is currently accepting inquiries and referrals to provide in-home care to those with Medicare Advantage plans with Blue Cross.

"We are honored to be a Contracted Provider for Blue Cross Blue Shield," said Dominic Todora, CareAparent's President. "This partnership expands CareAparent's ability to provide in-home care to more seniors, empowering them to age safely and independently in the home."

CareAparent is a comprehensive home health company serving aging adults throughout the Twin Cities metro area. CareAparent offers high-quality care solutions to seniors who wish to embrace aging in place and to live independently at home. Licensed by the Minnesota Department of Health and accredited by The Joint Commission, CareAparent offers comprehensive services including skilled nursing, physical therapy, occupational therapy, and personal cares.

CareAparent home health utilizes their Ready. Set. Goals.TM care planning approach to keep clients safe and healthy at home. Using this model of care, professional Clinicians assess client conditions in their home environment (Ready), formulate

comprehensive care solutions (Set), and implement a care plan with strategies to reach measurable milestones and results to live safely at home (Goals).

CareAparent matches clients with an interdisciplinary team that provides the high quality of home health care that exceeds Medicare & Medicaid Services (CMS), Minnesota Department of Health, and The Joint Commission expectations. Aging safely in place is at the foundation of services through CareAparent, and CareAparent's holistic programs are designed to increase the wellbeing, promote quick recovery, and reduce hospitalizations for our clients.
